Michael Blumenfeld joined Conway Farrell as an Associate in 1989 and has been a Partner at the firm since 1998. Michael's background includes almost 10 years of experience as an ornamental ironworker and as a member of the International Association of Bridge Structural & Ornamental Ironworkers, Local #580. His experience as an ironworker encompassed numerous positions including a journeyman, shop steward, foreman, and site superintendent.

Utilizing his comprehensive background in construction, Michael's legal practice is focused on construction and insurance law. He has extensive experience handling cases involving serious construction accidents, building defects and architectural and engineering malpractice.
